

Job Title: Senior Engineer
Water Treatment

Location: Toledo, Ohio (Option to work from one of our regional offices.)

Job Summary: Are you a Senior Engineer with expertise in water treatment design and operations? Consider the career benefits of moving on to work with a new team, new clients, and new challenges. This is a great opportunity for advancement to management level. We work collaboratively with our highly motivated engineering team in a fast-paced environment. If you are creative with strong problem-solving skills and the ability to communicate well to clients, you may be the ideal candidate. Responsibilities for this position include the direction and coordination of designs of major engineering projects related to water and water treatment; coordinating workload and training of project team members; assists in the development of design standards and specifications; and interfaces with clients on related programs. Traveling to job sites/client meetings is required.

Minimum Requirements:

Bachelor or Master of Civil Engineering or Environmental Engineering (or equivalent)
Professional Engineer (P.E.) license required or willingness to pursue

Preferred Qualifications: 8+ years of experience in water treatment

What We Offer: Jones and Henry Engineers, with our 5 regional offices, offers a unique opportunity to work with fellow employees that believe the work we do is important and care about the communities we serve and live in. Our engineers interact with our clients to solve problems and implement practical solutions while maintaining high standards and providing quality service. Continuing education and advancement of skills are encouraged at every career level. Jones & Henry offers a robust bonus incentive program, educational reimbursement, and competitive health care benefits.

Specialty: Water Treatment

Position Status: Full-Time

Minimum Physical Demands: Ability to travel to job sites and maneuver around project sites. Sitting, walking, bend, kneel, climbing stairs, and occasional lifting and moving up to 25 pounds. Visual acuity to perform responsibilities.

Jones & Henry Engineers is an Equal Opportunity Employer.
