

Job Title: Civil Engineering
Project Manager - Water/Wastewater

Location: Cincinnati, OH

Job Summary:

Would you like to advance your career by joining a team of engineers already well-respected across Ohio, Indiana, and Michigan? Jones & Henry Engineers is a 94-year-old company with an excellent reputation in Water and Wastewater engineering. Our Cincinnati office has an immediate opening for a Civil Engineering Project Manager. If you excel at managing multiple projects and enjoy being where the action is — this opportunity is for you. The ideal candidate will have experience in water and wastewater treatment, as well as a drive for client satisfaction, excellent technical capabilities and ability to manage projects from initial concept to successful completion. The position is responsible for the oversight of technical designs and development of water & sewer mains, storm sewers, and water/wastewater treatment systems. Project Managers work with the engineering staff and technicians to provide projects on time and within budget. Travel between the Jones & Henry regional offices and job sites may be required.

Minimum Requirements:

Bachelor or Master of Civil Engineering or Environmental Engineering (or equivalent)
Ohio Professional Engineer (PE) license or ability to acquire

Preferred Qualifications: 5+ years of experience

What We Offer: Jones and Henry Engineers, with 5 regional offices, offers a unique opportunity to work with fellow employees that believe the work we do is important and care about the communities we serve and live in. Our engineers interact with our clients to solve problems and implement practical solutions while maintaining high standards and providing quality service. Continuing education and advancement of skills are encouraged at every career level. Jones & Henry offers a robust bonus incentive program, educational reimbursement, and competitive health care benefits.

Specialty: Water/Wastewater

Position Status: Full-Time

Minimum Physical Demands: Ability to travel to job sites and maneuver around project sites. Sitting, walking, bending, kneeling, climbing stairs, and occasional lifting and moving up to 25 pounds. Visual acuity needed to perform responsibilities.

Jones & Henry Engineers is an inclusive workplace with a commitment to awesomeness and an Equal Opportunity Employer
