

**Job Title:** Electrical Engineer  
Project Engineer

**Location:** Toledo, Ohio

**Job Summary:** Are you looking for a reputable company to empower you as a critical member of their Electrical Engineering team? Jones & Henry Engineers has an immediate opening for Project Engineer to be part of our electrical team. If you have experience in the design of the following electrical systems, you need to connect with us.

- Power Distribution
- Motor Control
- Standby Generation
- Instrumentation
- Control
- Lighting

This position will support a variety of water and wastewater projects with a focus on electrical power, instrumentation, and control. The Project Engineer will be responsible for single and multi-discipline projects, designing low voltage and medium voltage distribution systems which includes switchgear, panelboards and motor control centers. You will have the opportunity to collaborate with other engineering disciplines and creating estimates/proposals for new projects. This unique opportunity will give you a career advantage by sharing knowledge in an industry that surpasses economic turbulence.

**Minimum Requirements:**

Bachelor or Master of Electrical Engineering (or equivalent)  
Professional Engineer (P.E.) license or willingness to pursue  
Knowledge of National Electrical Code

**Preferred Qualifications:** 4+ years of experience in electrical; familiarity with NFPA 820 (Fire Protection in Wastewater Treatment and Collection Facilities) would be a plus.

**What We Offer:** Jones and Henry Engineers, with 5 regional offices, offers a unique opportunity to work with fellow employees that believe the work we do is important to the communities we serve and live in. Our engineers interact with our clients to solve problems and implement practical solutions while maintaining high standards and providing quality service. Continuing education and advancement of skills are encouraged at every career level. Jones & Henry offers a robust bonus incentive program, educational reimbursement, and competitive health care benefits.

**Specialty:** Electrical

**Position Status:** Full-Time

**Minimum Physical Demands:** Ability to travel to job sites and maneuver around project sites. Sitting, walking, bend, kneeling, climbing stairs, and occasional lifting and moving up to 25 pounds. Visual acuity to perform responsibilities.

*Jones & Henry Engineers is an Equal Opportunity Employer.*
