

For nearly a century, Jones & Henry has been a trusted provider of Fluid thinking to complex water and wastewater challenges. Join an engineering team that values providing excellence in engineering to our clients.

Job Title: Structural Engineer

Location: Position may operate out of one of the following offices:

Toledo, OH
Cincinnati, OH
Kalamazoo, MI
Fort Wayne, IN

What We Offer: Are you looking for an opportunity to excel as a critical member of a dynamic Structural Engineering team? Jones and Henry Engineers offers a unique opportunity to collaborate with fellow professionals that believe the work we do is important and care about the communities we serve and live in. From our 5 offices, our engineers interact with our clients to solve problems and implement practical solutions while maintaining high standards and providing quality service. Continuing education and advancement of skills are encouraged at every career level. Jones & Henry offers a robust profit-sharing program, educational reimbursement, and competitive health care benefits.

Job Summary: Jones & Henry is seeking an experienced Structural Engineer to support structural engineering efforts in the design of our water and wastewater projects. As a Structural Engineer, you would be responsible for performing engineering calculations, developing details, writing specifications, construction cost estimating, minor architectural design, reviewing shop drawings and field inspections, including confined space tank entry. You will also have the opportunity to collaborate with other engineering disciplines. This unique opportunity will give you a career advantage by sharing knowledge in an industry that surpasses economic turbulence.

Minimum Requirements:

Bachelor or Master of Civil or Structural Engineering (or equivalent)
Professional Engineer (PE) License or ability and willingness to obtain is required.

Preferred Qualifications: 3-10+ years of experience

Position Status: Full-Time

Minimum Physical Demands: Ability to travel to and maneuver around project sites. Sitting, walking, bending, kneeling, climbing stairs, and occasional lifting and moving up to 25 pounds. Visual acuity to perform responsibilities.

Jones & Henry Engineers is an Equal Opportunity Employer.
